## Principal's Message

Easter is a time when we experience the great love of our God, revealed to us through the death and resurrection of His Son, Jesus Christ. The Easter liturgical calendar reminds us of the transformative power of Christ's resurrection. It is a time of rejoicing, as we celebrate the victory of life over death and light over darkness. Just as Jesus emerged from the tomb, we too are invited to rise from our struggles and challenges, renewed and rejuvenated by the promise of hope and redemption.

As we journey through this Easter season together, let us embrace the message of hope and renewal that it offers. May we be inspired to live more fully in the light of Christ's love, sharing that love with all those we encounter.

We are faith filled  
We are a French speaking community  
We are connected  
And we value learning

## Important Information

### **KUDOS TO COACHING STAFF**

We have completed our lengthy basketball season! Much gratitude to our many coaches who volunteered to support our Junior & Senior teams. All ECJL teams had a successful season and brought home medals. We are thankful to our staff and the many community coaches who help our student athletes develop their skills over the course of the season.

### **FAMILY INTENTION FORMS**

To date we have received responses for 474/610 students to confirm whether or not your family will return to Camille for the 2024-2025 school year. Thank you for this. If you have not yet completed this form can you please do so at your earliest convenience. This helps significantly with planning.

### **EMPREINTES DE JÉSUS AWARD**

On Friday after our Easter liturgy we will begin a new middle school student recognition program. Three times per year, students in our middle school will be recognized for walking in the footsteps of Jesus. Our goal is to honour those students who step up for what is right and exemplify the characteristics of Jesus at the sometimes challenging middle school level.

### **GREEN SPACE & LETTER WRITING CAMPAIGN**

Thank you to those of you who have let us know how you have supported our school in saving our green space. We know that many of you have already connected with our local MP's as well as the City of Red Deer and this is greatly appreciated. We are hearing rumours that there is some forward movement on negotiating a contract with the Department of Defense, which we are very excited about! Thank you for your continued support with this!

### **PARKING & DROP AND GO**

I know that it sounds as though we are a broken record when it comes to the parking and drop and go lanes. We are VERY concerned with the safety of our students who are being asked to weave in and out of vehicles to cross safely onto school property. Please do not leave your vehicle unattended in the Drop & Go for ANY reason. Please do not stop your vehicle in the free flow lane and expect your child to jump out. **Our supervisors are outside beginning at 8:25am which allows your child to be dropped off 10 minutes before the bell. Our supervisors are outside until 3:30pm which allows your child to wait for 10 minutes after the bell with no issue.** Please consider this in an effort to avoid the congestion that occurs with the shared traffic from the high school across the road. We DO NOT want any of your children to be injured by a vehicle.
