Cafeteria

Yogurt pops are a popular item! Our cafeteria ladies would be so grateful if these could be preordered.

Last day for our cafeteria for this school year is June 17th.

Our cafeteria is open for breakfast and at lunch time. Through this venue, a hot lunch program, for all students, is available.

Our school offers online ordering for the cafeteria. New families can register online. The link for cafeteria online ordering is: camille.hotlunches.net. Access Code = ECJL

School Start Supply Lists

Your teachers at Camille are excited to offer you the opportunity to purchase your school supplies through School Start for the 2024/25 school year. This process will save you time. Information will be emailed early next week.

Canadian Parents for French

Canadian Parents for French are offering free memberships for the 2024/25 school year. Click [here](#) for more info.

Journey to Guatemala

Mr. Pat Menendez, our district maintenance guy, has been travelling to Guatemala since 1995 bringing clothing, school supplies, school equipment and emotional support at his own expense. Once again, this summer, Mr. Menendez is travelling to Guatemala, in a 72 passenger bus which he hopes to fill with supplies for the children, many of which are orphans. If you have any extra school supplies to donate, please feel free to bring to the school.

Our school wide 'Change for Charity' Day on May 22 went very well! Mr. Pat appreciates the help with expenses on his journey! and the students and teachers in Guatemala HUGELY appreciate the donations of school supplies! Big thanks!

Registrations

Registration for the 2024-2025 school year is open.

If you are a new student to Red Deer Catholic Regional Schools: Please input your information on our online form at rdcrs.schoolengage.ca/#/login. Sinead Armstrong

The first part of the document discusses the importance of maintaining accurate records in a business setting. It highlights how proper record-keeping can help in decision-making, legal compliance, and financial management. The text emphasizes that records should be organized, up-to-date, and easily accessible to relevant personnel.

Next, the document addresses the challenges of data management in the digital age. With the increasing volume of data generated by various sources, businesses face the task of storing, securing, and analyzing this information effectively. The text suggests implementing robust data management systems and protocols to ensure data integrity and security.

The third section focuses on the role of technology in streamlining business operations. It explores how automation and digital tools can reduce manual errors, save time, and improve overall efficiency. The document encourages businesses to invest in modern technology and provide training to employees to maximize the benefits of these tools.

Finally, the document concludes by emphasizing the importance of continuous learning and adaptation. In a rapidly changing business environment, organizations must stay updated with the latest trends and technologies. The text encourages a culture of learning and innovation, where employees are encouraged to seek new solutions and improve their skills.
