Principal's Message

As we close out another school year and I get another year older I think of how quickly this year went by. I know that we say as we age that time speeds up, but this year flew by! We are definitely on the countdown for summer!

We continue to be grateful for the support you give us as a school community. Teaching is not an easy vocation but we are blessed with the support, advocacy and prayers that you provide to ensure we can do our jobs well. MERCI BEAUCOUP!

As we move into June we have many staffing changes to share with you. One of the biggest will be saying goodbye to two thirds of our front office staff. Mme Carson and Mme Froehler are both retiring after many, many years at ECJL. Their support has been invaluable to Admin, teachers, students and parents over the years and they will be greatly missed by all!

This year we will also say goodbye to Mme Aksana, Mme Genevieve, Mme Gordineer, Mme Ziegler, Mme Annette & Mme T. We are grateful to welcome back M. Pelletier, Mme Lison, Mme McLaren & Mme Julie.

There has also been a restructure of the Family School Counselling program and although Mme Julie Masson will continue to support our families and families across the Division, she will no longer be working out of Camille. We are so grateful to the support Mme Julie gave to our families & students in small groups, in iMind and outside on the playground!

We ask God to bless all of our families, staff and students over the summer holidays!

Important Information

JOURNEY TO GUATEMALA

A huge thank you to our school community! We were able to collectively raise \$499 for Mr. Pat Menendez, Mr. Pat, our district maintenance guy, has been travelling to Guatemala since 1995 bringing clothing, school supplies, school equipment and emotional support at his own expense. Once again, this summer, Mr. Menendez is travelling to Guatemala, in a 72 passenger bus which he hopes to fill with supplies for the children, many of which are orphans. This \$499 will go to help with the cost of fuel on his journey south!

SCHOLLIE SURVEY DATA

A huge thank you to the Grade 4 & 7 parents who helped us complete our School Division survey data. We were proud of the results and have grown in our identified focus areas.

We had 100% parent satisfaction in the following areas:

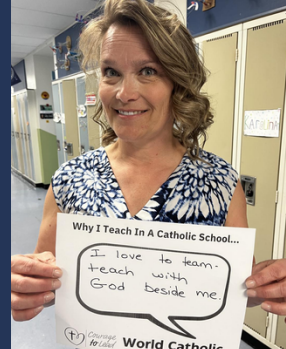

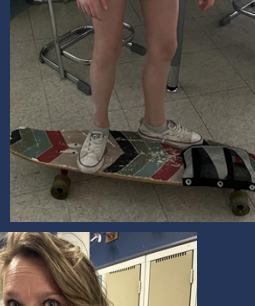

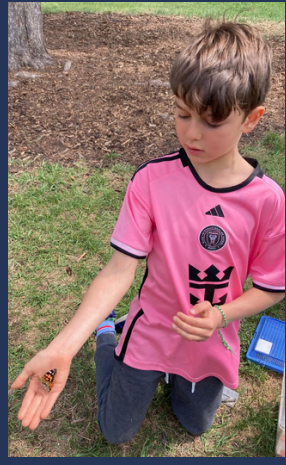

- I believe our school provides a welcoming, safe, caring environment for our children
- I believe I have the opportunity to be heard if I have a question or concern
- I believe my school provides opportunities for me to be involved at the school (surveys, school council, celebrations, open houses, information nights)
- I believe my child's school has adequate procedures for sharing information

HAPPY RETIREMENT

Mme Carson*

May this new chapter be filled with joy, relaxation, and countless memorable moments
